FATCA due diligence will have to be directed at each investor/unit holder (including joint investors) and on being identified as a reportable person/specified US person, all the folios will be reported. Further, in case of folio with joint investors, the entire account value of investment portfolio will be attributable under each such reportable person. Investors/Unit holders would therefore be required to furnish such information to the Fund/AMC, from time to time, in order to comply with the reporting requirements stated in the IGA and/or circulars/guidelines issued by SEBI/AMFI in this regard.

The impact of FATCA is relevant not only at the point of on-boarding of the investors but also throughout the life cycle of the investor account / folio with the Fund. Hence investor(s) should immediately intimate the Fund/AMC, in case of any change in the FATCA related information provided by them at the time of initial subscription.

The Fund/AMC reserves the right to reject any application or compulsorily redeem the units held directly or beneficially in case the applicant/investor fails to furnish the relevant information and/or documentation or is found to be holding units in contravention of the FATCA provisions.
